OPERATING INSTRUCTIONS

ASSEMBLY PROCEDURE

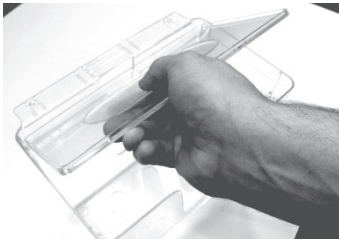

Fig. 1

1. Holding lid vertically, slide lugs into slots. When lid locks into place, lay flat. Test operation of lid

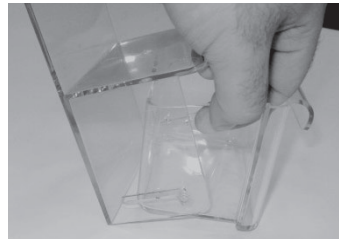

Fig. 2

2. While holding one side shelf, insert drawer into cavity. Insert drawer on an angle and insert one lug into its slot. Gently lever the shelf wall to insert the other lug.

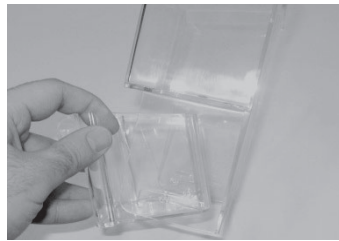

Fig. 3

3. Repeat step 2 with the remaining shelf.

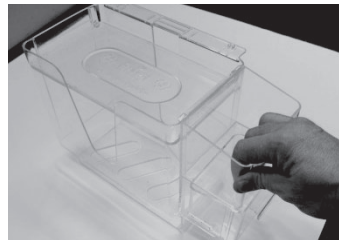

Fig. 4

4. Slide a shelf onto each side of the nappy compartment

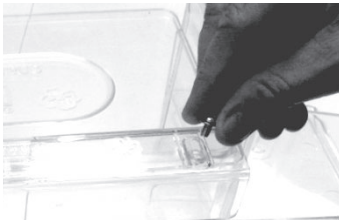

Fig. 5

5. Place adjustable holding bracket at top back of nappy compartment so vertical slots are aligned.

Fig. 6

6. Insert 2 screws and washers into slots. The washers will prevent the screws protruding through the other side and damaging the cot side rail.

Fig. 7

7. Insert the nuts into the designated areas on the underside of the holding bracket and attach to screws. Adjust bracket to your required spacing and gently tighten screws.

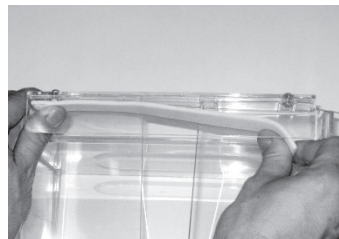

Fig. 8

8. Attach the sticking strip to the underside of the holding bracket before placing onto designated surface.

Hang change caddy and fill with your required contents.

Infasecure Warranty Details

Infasecure Pty Ltd warrants this product for twelve months from the date of purchase against failure due to manufacturing faults or faulty materials. Misuse, accidental damages, normal wear and tear are not covered by this warranty.

When used for commercial use the period is limited to six months.

“Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.”
